

Adult Program Pickleball Workshops & Open Play

Summer 2019

Pickleball is a fun sport that combines many elements of tennis, badminton and ping-pong. It can be played as doubles or singles and indoors or outdoors. The game is played on a badminton-sized court with a slightly modified tennis net. Although the sport has become more competitive through the years, many players enjoy playing for the social aspects of the game. This game is for all ages and skill levels. The rules are simple and the game is easy for beginners to learn. Free!
